Hello Seniorita, I'm on my way to meetcha
We'll share a quesadilla
If you show up smilin'.

OH!

Look look look oh how you've grown.
Look oh look oh how you've grown.
Look look look look oh how you've grown on meeeee.

Look look look oh how you've gone.
Look oh look oh where ya gone.
Look look look oh how you've gone from meeeee.

Como se dice,
I still say your names with marks of exclamation.
Come share a million miles with me.

Muy bueno!

What an awful tragedy!

Look look look oh how you've grown.
Look oh look oh how you've grown.
Look look look look oh how you've grown on meeeee.

Look look look oh how you've gone.
Look oh look oh where ya gone.
Look look look oh how you've gone from meeeee.

I waited for a long time but you never came.

Lying here I waited for you just the same.

Look look look oh how you've grown.
Look oh look oh how you've grown.
Look look look look oh how you've grown on meeeee.

Look look look oh how you've gone.
Look oh look oh where ya gone.
Look look look oh how you've gone from meeeee.

Como se dice,
I still say your names with marks of exclamation.
Come share a million miles with me.

I hope you weren't expecting me, my old companion
tragedy,
I know that you've got somewhere else to go.
It's plain to me that we weren't meant to be and I got
someone else to see.
I got to make my way home.

Tragedy, I hope you weren't expecting me.
Tragedy, I hope you weren't expecting me.

Congratulations we are fantastic!!
