Well I don't know how much it means to you,
But I sing it anyway.
And it burns inside me so longingly, that I can't help
But sing it everyday.

And I've watched you play with fire, and give yourself
away.
To the world that brings you down.
But I still remember that soft eyed girl who took my
hand.
And I wish she'd find her way home again.

Cause I know what it's like,

I know what it's like.

Sometimes I wake up wishing
Just to hear you sing, your melody.
And I know there's someone who you don't want to talk
to.
And this aint' just about me.

Cause I know what it's like,
I know what it's like to be alone.

And I would give myself, just to see you free.
But someone went ahead and gave them self in place
of me
