I don't need a reason  
I am just breezin'  
No I don't need a reason  
I am just breezin'

Makin' changes as they come  
Ain't gonna bother anyone  
Give and let live  
Love and be loved

We're workin' on a positive vibe  
So let the love rise to the top  
Up here where the breezes blow  
Don't let the love flow over stop

We got to get it together  
With everyone else  
We'll never make it to the positive side  
Without some help

Breezin'  
(Let's flow, let's flow, let's flow)  
(Let's flow, let's flow, let's flow)  
Breezin'  
(Let's flow, Let's flow)  
I'm ready to go

I don't need a reason  
I don't need a reason

I'll hold up the roof, if you steady the walls  
We'll sweep the floor, fix the house  
Let the love roll through the door  
Yea, I'll hold up the roof, if you steady the walls  
We'll sweep the floor, fix the house  
Let the love flow through the door

Send a message  
Put up your antennae tonight  
Get the message  
Put up your antennae tonight

We got to get it together  
With everyone else  
We'll never make it to the positive side  
Without some help

This is the turning point  
The point of no return  
We got to come together  
Give and let live  
Love and be loved  
Give and let live  
Love and be loved

I don't need a reason  
I don't need a reason  
I don't need a reason  
I don't need a reason

I'm breezin'  
(I don't need a reason)  
I'm breezin'  
(I'm just breezin')  
I'm breezin'  
(No I don't need a reason)  
I'm breezin'  
(I'm just breezin')  
I'm breezin'  
(No I don't need a reason)  
I'm breezin'  
(All I'm doin' is breezin')  
I'm breezin'  
(No I don't need a reason)  
I'm breezin'  
(I'm just breezin')...
