Take a little, take a little nip
Take a little sip, take a little more
Spread icing nice and thick between the layers
Ooh let it drip down the sides
Who cares
Done with the batter...
I am watching it drip down the sides
(If you want a better batter better beat it harder)
I am watching it drip down the sides
I said according to my recipe
You put it on a slow bake
According to my recipe
You put it on a slow bake
I am watching it drip down the sides
(If you want a better batter better beat it harder)
I am watching it drip down the sides
I said according to my recipe
You put it on a slow bake
(Takes a long time for it to rise)
According to my recipe, you put it on a slow bake
(Let it drip right down the sides)
According to my recipe
(Who cares)
I can't wait to put the icing on the cake
I can't wait to put the icing on the cake
Cake...
-Hey, you know what I'd really like to do?
-Say wha'?
-I feel like makin' a cake
-Ooh wah! what kind of cake do you want?
-Umm..., how about pineapple upside-down cake?
-Maybe a chocolate devil's food cake
-Wah!, nothin' like a chocolate devil's food cake
-Ooh, how about an angel cake?
-Umm, some cinnamon?
-Yeah, sure
-Sugar?
-Yeah, uh huh, I swear
-You got a pan the right size?
-A pan?
-It says in this cookbook it takes a long time to rise
-I read that... Now, beware

-Let's get this thing in the oven
Take a little, take a little nip
Take a little sip, take a little more
Spread icing nice and thick between the layers
Ooh let it drip down the sides
Who cares
Done with the batter...
I am watching it drip down the sides
(If you want a better batter better beat it harder)
I am watching it drip down the sides
I said according to my recipe
You put it on a slow bake
According to my recipe
You put it on a slow bake
Hah! hah! hah! hah! hah! hah! hah! hah! hah...
I can't wait to put the icing on the cake
Hah! hah! hah! hah! hah! hah! hah! hah! hah...
250 strokes to beat it, I just can't wait to eat it
