Let loose
Before it causes problems
Let loose
Before it tears you apart
Let loose
Let loose

You gotta reach out
Reach out and touch someone
You gotta reach out
Reach out and touch someone

Boy, oh girl, you better communicate
Before it's too late
You better start talking
You better talk

Let loose
Before it causes problems
Let loose
Before it tears you apart

Don't bottle it up
Don't bottle it up
Like a bottle of pop
A bottle of 7Up
You better let it

Talk from your heart
And not just your brain
Talk from your heart
And not just your brain

COMMUNICATE
Your brain that is
COMMUNICATE

Talk from your heart
And not just your brain
Talk from your heart
And not just your brain

COMMUNICATE
Your brain that is
COMMUNICATE

Let loose
Before it causes problems
Let loose
Before it tears you apart
Let loose
Let loose

You gotta reach out
Reach out and touch someone
You gotta reach out
Reach out and touch someone

Girl, oh boy, you better communicate
Before it's too late
You better start talking
You better talk

Let loose
Don't let it cause problems
Let loose
Don't let it tear you apart

Don't bottle it up
Don't bottle it up
Like a bottle of pop
A bottle of 7Up
You better let it

Straight from your heart
And not just your brain
Straight from your heart
And not just your brain

COMMUNICATE
Your heart that is
COMMUNICATE, yo

Straight from your heart
And not just your brain
Straight from your heart
And not just your brain

COMMUNICATE
Your heart that is
COMMUNICATE, yo

Channel 17, ho

Communicate, ho
Communicate, ho
Baby, baby bounce it off your satellite
Ho, ho, ho, ho

Communicate, ho
Communicate, ho
Communicate, ho
Baby, baby bounce it off your satellite
Yeah, yeah, yeah

Communicate, ho
Communicate, ho
Communicate, ho
Baby, baby bounce it off your satellite
Yeah
