Remember when you held my hand  
Say, remember when you were my man  
Walk, talk in the name of love  
Before you break my heart  
Think it over, roll it over in your mind

Why don't you dance with me  
I'm not no Limburger  
Why don't you dance with me  
I'm not no Limburger

Oh say, why don't you dance with me  
I'm not no Limburger  
Just a Limburger, just a Limburger  
Just a Limburger, just a Limburger

Dance this mess around  
Dance this mess around  
'Round, 'round, 'round, 'round

Oh, everybody goes to parties  
They dance this mess around  
They do all 16 dances  
They do the Shu ga loo, do the Shy Tuna  
Do the Camel Walk, do the Hip O Crit

Ah, hippy, hippy forward hippy, hippy  
Hippy, hippy, hippy shake  
Oh, it's time to do 'em right

Hey, so don't that make you feel a whole lot better,  
huh?  
I say, don't that make you feel a whole lot better?  
What you say? Well, I'm just askin'

Come on, shake  
Ooh, Oye shake  
Ooh, Oye shake  
Ooh

Everybody goes to parties  
They dance this mess around

They do all 16 dances  
Do the Coo ca choo, do the Aqua Velva  
Do the Dirty Dog, do the Escalator

Ah, hippy, hippy forward hippy, hippy  
Hippy, hippy, hippy shake  
Oh, it's time to do 'em right

Hey, so don't that make you feel a whole lot better,  
huh?  
I say, don't that make you feel a whole lot better?  
What you say? Well, I'm just askin'

Yeah, yeah, yeah  
Stop, dance on over  
Yeah, yeah  
Dance, dance, dance this mess around  
Dance this mess around

Shake, shake a bake, shake  
Shake, shake, shake, shake  
Shake, shake, shake, shake  
Dance this mess around  
Yeah, yeah, yeah
