Radio operator to the tower  
Debbie's comin' in for a landin'  
Oh, put your head between your knees  
Caused by the vibrations of love  
They're about to shake me to pieces

Shell-shocked supersonic blonde  
Hyperphonic female  
Dark sunglasses on  
Everyone is here to see  
Her all girl rock band

Vortex pulls me in, the vortex spits me out  
Jet-eyed glitter child strappin' on a gold guitar  
We witness the ultrasonic imploding excitation  
Bodies exhausted in total elation

Shell-shocked supersonic blonde  
Hyperphonic female  
Dark sunglasses on  
Everyone is here to see  
Her all girl rock band

Oh, Debbie  
Queen of the underground  
Carrying her gold guitar  
The show is over

My downtown baby, is headin' home  
Singing a song, she's walkin' alone  
She walking down the block  
Now she's comin' my way  
As our hearts and our dark sunglasses lock

Shell-shocked supersonic blonde  
Hyperphonic female  
Dark sunglasses on  
Everyone is here to see  
Her all girl rock band

Every day, every day  
We're just a little bit wilder

Every day, every day  
Ah, just a little bit tighter

Every day, every day  
Ah, just a little bit wilder  
Every day, every day  
Take it a little bit higher
