I'm a pleasure seeker  
Shoppin' for a new distraction  
I'm a pleasure seeker  
Lookin' for some platinum action

I'm a pleasure seeker  
Movin' to the muzak  
I'm a pleasure seeker  
Lookin' for the real thing

Chandalabra's in a Wonderbra  
Dress barn runway, a real draw  
Faster pussycat, thrill, thrill  
I'm at the mall on a diet pill

Oh, broke my heart at the Funplex  
Yes you did, yes you did  
Oh, broke my heart at the Funplex  
Yes you did, yes you did

The Taco Tiki Hut  
Is where we're all gonna meet  
Underneath the chandelier at the ATM machine  
Oh honey, is it all about money?

Hey lady, what?  
What lady?  
That lady? No

Private property, hippie be quiet  
Your peace sign t-shirt could cause a riot  
Faster, faster, can't get enough  
What the hell will I do with this stuff?

I'm your daytime waitress  
At the Taco Tiki Hut  
I'm your daytime waitress  
Here's your stupid 7-Up

You kicked my heart  
Goin' up and down the escalator  
You blew me off and

Now you've lost the real thing

Oh, broke my heart at the Funplex  
Yes you did, yes you did  
Oh, broke my heart at the Funplex  
Yes you did, yes you did

You know fashion frenzy  
(Panic at the Funplex)  
Gets me higher and higher  
No will power and my wallet's on fire

(Panic at the Funplex)  
Fashion frenzy  
Gets me higher and higher  
No will power and my wallet's on fire

Oh, broke my heart  
Oh, broke my heart  
Panic at the Funplex

Faster, faster thrill, thrill  
Too much to do  
It's time for a pill

Oh, broke my heart  
Panic at the Funplex

Misery at the Funplex  
And there's too much sex  
The world is goin' to hell  
And what is that horrible smell?  
(Panic at the Funplex)

Faster, faster thrill, thrill  
Faster, faster thrill, thrill  
Too much to do  
It's time for a pill
