Girl from Ipanema, she goes to Greenland
Girl from Ipanema, she goes to Greenland

Witch doctors are screaming
Nymphs are dreaming
This girl's lost someone
Who is that someone she's leaving

Girl from Ipanema, she goes to Greenland
Girl from Ipanema, she goes to Greenland

Hot latitudes, cool attitudes
She's leaving
Moon in her mirror, chasing northern lights
She goes, ahhh

Girl from Ipanema, she goes to Greenland

Remember, wherever you go
There you are

Girl from Ipanema, she goes to Greenland
Girl from Ipanema, she goes to Greenland

Girl from Ipanema, she goes to Greenland
Girl from Ipanema, she goes to Greenland

Girl from Ipanema, she goes to Greenland
Girl from Ipanema, she goes to Greenland
