Housework, housework, housework
Housework, housework, housework

I am doing my housework
Got no time to fool 'round
I am doing my housework
Cleanin' up and I'm gettin' down

It'll be so clean, you can eat off the floor
You can eat off the wall or anywhere at all
'Cause I'll make this place a party pad for two
And I'm not stoppin' 'til I do

Housework, housework

I'm so tired of this vacuum, need a man to help soon
Don't need a man to make a move on me
I need a man to move in with me
Don't need a man to treat me mean
I need a man to help me clean

Someone who's heaven sent
Someone to help pay rent
Someone to share dreams and wishes
Someone to help me do the dishes

Housework, housework, housework

It'll be so clean, you can eat off the floor
You can eat off the wall or anywhere at all
'Cause I'll make this place a party pad for two
And I'm not stoppin' 'til I do

Housework

I'm so tired of this vacuum, need a man to help soon
Don't need a man to make a move on me
I need a man to move in with me
Don't need a man to treat me mean
I need a man to help me clean

Someone who's heaven sent

Someone to help pay rent
Someone to share dreams and wishes
Someone to help me do the dishes

Housework, housework, housework
