Juliet, I can feel you close  
Of passions ready to explode  
Secrets you kept  
Should all be told  
Like blossoms  
Ready to unfold

Juliet, you're not afraid anymore  
Juliet  
Juliet, I'm not afraid anymore  
Sweet love's coming on, ohhhh  
Girl can you hear it, ohhh  
Staring into sunshine, ohhh  
Juliet of the spirits, ohhhhhh yeah  
Pleasure is calling you, ohhhh  
Girl can you hear it, ohhh  
Spirit hug is what you need, ohhh  
Juliet, I can feel it

Spirits, let your cool light shine  
Visions swirling  
Let me tell you mine  
You're a force of nature  
Can't be controled  
You know you got it girl  
C'mon and let it show

Juliet, you're not afraid anymore  
Juliet  
Juliet, I'm not afraid anymore  
Sweet love's coming on, ohhhh  
Girl can you hear it, ohhh  
Staring into sunshine, ohhh  
Juliet of the spirits, ohhhhhh yeah  
Pleasure is calling you, ohhhh  
Girl can you hear it, ohhh  
Spirit hug is what you need, ohhh  
Juliet, I can feel it

Lady be a cool  
Set your pleasure free  
Lady don't be a fool

Let your pleasure go

Pleasure is calling you, ohhhh

Girl can you hear it, ohhh

Spirit hug is what you need, ohhh

Juliet, I can feel it
