Turn your watch
Turn your watch back
About a hundred thousand years
A hundred thousand years
I'll meet you by the third pyramid
I'll meet you by the third pyramid
Ah come on, that's right, I want
For me in Mesopotamia
We're going down to meet it
I ain't no student
Feel those vibrations
Of ancient culture
I know a neat excavation
Before I talk I should read a book
But there's one thing That I do know
There's a lot of ruins In Mesopotamia
Six or eight thousand years ago
They laid down the law
They laid down the law
Aa aa aa aa aa aaa
Six or eight thousand years ago
They laid down the law
Aa aa aa aa aa aaa
I'll meet you by the third pyramid
I'll meet you by the third pyramid
Ah come on, that's right, I want
For me in Mesopotamia
We're going down to meet it
Now I ain't no student
Hear those vibrations
Of ancient culture
I know a neat excavation
Before I talk I should read a book
Mesopotamia that's where I wanna go
But there's one thing that I do know
Mesopotamia that's where I wanna go
There's a lot of ruins in Mesopotamia
Six or eight thousand years ago
They laid down the law
They laid down the law
Aa aa aa aa aa aaa

Six or eight thousand years ago
They laid down the law
Aa aa aa aa aa aaa
In Mesopotamia
Aa aa aa aa aa aaa
They laid down the law
Aa aa aa aa aa aaa
In Mesopotamia
Aa aa aa aa aa aaa
