Waitin' for bus number 99
Goin' to the store for hot dogs and wine!
When all of a sudden, I felt real cold
And wound up in the body of a big ol' UFO

On the bus, to the plane
To the UFO and to outer space baby
On the bus, to the plane, baby you
Take me away

CHORUS

Is that you Mo-Dean?
It's me Mo-Dean
Is that you Mo-Dean?
On a UFO
Is that you Mo-Dean?
It's me Mo-Dean
The interdimensional outer space being

Movin' through the spheres, faster than light
On our way to some planets that were outta sight
We said space driver, give it a spin
And take us to some places we ain't never been

On the bus, to another plane
To the UFO and to outer space baby
On the bus, to the plane, baby you
Take me away

CHORUS

Is that you Mo-Dean?
It's me Mo-Dean!

I say at which depot do we depart from this UFO?
Well it had been 987 years in outer space time when I
got back
Couldn't seem to find any of my friends to tell my
interesting stories to
Past life

On the bus, to the plane

To the UFO and to outer space baby
On the bus, to the plane
Baby you..
Take me away

CHORUS

Is that you Mo-Dean?
It's me Mo-Dean

Astro projector from the outer outer outer outer outer
space scene
Astral projector...repeat.
