Surprise, party  
Yeah, we just thought we'd drop in  
Where's your icebox?  
Where's the punch?  
Eww, hows the Tofu

Who's to blame, when parties really get out of hand?  
Who's to blame, when they get poorly planned?  
Hoo, hoo, hoo, hoo, hoo, hoo, hoo, ooo

Crashers get bombed, slobs make a mess  
Ya know, sometimes they'll even ruin your wife's dress  
Crashers gettin' bombed, who's to blame?  
Can you pull it back in line?  
Can you salvage it in time?

What can you do to save a party?  
Parcheesi? Charades? A spur-of-the-moment?  
Scavenger hunt, or Queen of the Nile?, wooh  
Who turned out the lights?, wooh

Bombed, crashers gettin' bombed  
Crasher's gettin' bombed  
Bombed, bombed, bombed  
Now, who's to blame

Who's to blame, when situations degenerate?  
Disgusting things you'd never anticipate  
Hoo, hoo, hoo, hoo, hoo, hoo, hoo, ooh

People get sick, they play the wrong games  
Ya know, it can ruin your name  
Crashers gettin' bombed, who's to blame?  
Can you pull it back in line?  
Can you salvage it in time?

Wooh  
It shouldn't be difficult  
Try not to condemn  
Okay, who ordered pizza

I'll be tactful when making the rounds

Be tactful when making the rounds  
And maybe you can save a  
Party gone out of bounds  
Party gone out of bounds

Party gone out of bounds  
Gone out of bounds  
Party gone out of bounds  
Gone out of bounds
