"Roam"

I hear a wind
Whistling air
Whispering
In my ear

Boy mercury shootin' through every degree
oh girl dancin' down those dirty and dusty trails
Take it hip to hip rocket through the wilderness
Around the world the trip begins with a kiss

Roam if you want to
Roam around the world
Roam if you want to
Without wings, without wheels
Roam if you want to
Roam around the world
Roam if you want to
Without anything but the love we feel

Skip the air strip to the sunset, yeah
Ride the arrow to the target - one
Take it hip to hip rock it through the wilderness
Around the world the trip begins with a kiss

Roam if you want to
Roam around the world

Roam if you want to
Without wings, without wheels
Roam if you want to
Roam around the world
Roam if you want to
Without anything but the love we feel

Fly the great big sky
See the great big sea
Kick through continents
Bustin' boundaries
Take it hip to hip rocket through the wilderness
Around the world the trip begins with a kiss

Roam if you want to

Roam around the world
Roam if you want to
Without wings, without wheels
Roam if you want to
Roam around the world
Roam if you want to
Without anything but the love we feel

Take it hip to hip
Rocket through the wilderness (x8 - fade)
(go ahead and roam)
