We were at a party
His ear lobe fell in the deep
Someone reached in and grabbed it
It was a rock lobster

Rock lobster
Rock lobster

We were at the beach
Everybody had matching towels
Somebody went under a dock
And there they saw a rock

It wasn't a rock
It was a rock lobster

Rock lobster
Rock lobster

Rock lobster
Rock lobster

Motion in the ocean
His air hose broke
Lots of trouble
Lots of bubble

He was in a jam
He's in a giant clam

Rock, rock
Rock lobster
Down, down

Underneath the waves
Mermaids wavin'
Wavin' to mermen
Wavin' sea fans

Sea horses sailin'
Dolphins wailin'

Rock lobster

Rock lobster

Rock lobster

Rock lobster

Red snappers snappin'

Clam shells clappin'

Mussels flexin'

Flippers flippin'

Rock, rock

Rock lobster

Down, down

Lobster

Rock lobster

Rock

Let's rock

Boys in bikinis

Girls in surfboards

Everybody's rockin'

Everybody's fruggin'

Twistin' 'round the fire

Havin' fun

Bakin' potatoes

Bakin' in the sun

Put on your nose guard

Put on the lifeguard

Pass the tannin' butter

Here comes a stringray

There goes a manta ray

In walked a jelly fish

There goes a dogfish

Chased by a catfish

In flew a sea robin

Watch out for that piranha

There goes a narwhal

Here comes a bikini whale

Rock lobster

Rock lobster

Rock lobster

Rock lobster
