Here comes Brenda
Brenda Holiday
Though she hasn't
That much to say

She knows where the rain goes
She breaks
She breaks for rainbows

Fly Brenda
Fly Brenda

Window in the weather
Flowers in her hair
Footprints on the ceiling
How did they get there?

She knows where the rain goes
She breaks
She breaks for rainbows

She knows where the rain goes
She breaks
She breaks for rainbows

She knows where the rain goes
She breaks
She breaks for rainbows

She breaks
She breaks for rainbows
She knows where the rain goes
