Here it comes again
Drivin' me nuts
Can't control my feet
Or stop shakin' my butt

The neighbors are complaining
It's getting out of hand
Throw that beat
In the garbage can

Toss that beat, beat, beat, beat
Toss that beat, beat, beat, beat

Stop, stop, stop
It's drivin' me crazy
Ha, ha, ha

Stop that beat
It makes me apprehensive
Sweat ruins my clothes
They are very expensive

The neighbors are complaining
It's getting out of hand
[Incomprehensible] throw that beat
In the garbage can

Stop, stop, stop
It's drivin' me crazy
Ha, ha, ha

Toss that beat, beat, beat, beat
Toss that beat, beat, beat, beat
Toss that beat, beat, beat, beat
