What's that on your head?

A wig

What's that on your head?

A wig

I say what's that on your head?

A wig

What's that on your head?

A wig

Wig wig wig

Sally's gotta wig

Ricky's gotta wig

Baby's gotta wig

Kate's gotta wig

Fred's gotta cheap toupee

Keith's gotta big bouffant on

We all got wigs, so

Let's go

On the neon, neon side

Of town

On the neon, neon side

Of town

Julia's gotta wig

Phyllis has a wig

Cindy's gotta wig

J.T's gotta wig

Carol's fall fell

Bulba's gotta big bouffant on

We all got wigs, so

Let's go

On the neon, neon side

Of town

On the neon, neon side

Of town

On the neon, neon side

Of town
On the neon, neon side
Of town

[Incomprehensible]

On the neon, neon side
Of town
On the neon, neon side
Of town

What's that on your head?
A wig
What's that on your head?
A wig

I say what's that on your head?
A wig
What's that on your head?
A wig
Wig wig wig

Wigs on fire, wigs on fire
Wigs on fire, wigs on fire
Wigs on fire, wigs on fire
Wigs on fire, wigs on fire
It's 25 25 and we've got the most wigs alive

Wigs on fire, wigs on fire
Wigs on fire, wigs on fire
Take it higher, take it higher
Take it higher, take it higher
It's 25 25 and we've got the hottest dos alive

[Incomprehensible]
