Push hard to an alien land,
Where you never know what's real
Just a card in someone's deck,
You get dealt and that's the deal

What's the matter, man? Is the time not right?
What's the matter, man? Are you wrapped too tight?
What's the matter, man? Is the feeling gone?
What's the matter?
What's the matter, man? What's the matter with
you?
What's the matter, man? What's the matter with
you?

Hooked up to a million tubes
Addicted to another's dream
So many ways to pay and pay
Without ever getting what you need
I'm not averse to being alone
If it means I get to keep my mind
I'm not averse to losing it all
If I get to leave it all behind

What's the matter, man? Is the time not right?
What's the matter, man? Are you wrapped too tight?
What's the matter, man? Is the feeling gone?
What's the matter?
What's the matter, man? What's the matter with
you?
What's the matter, man? What's the matter with
you?

What's the matter, man? What's the matter with
you?
What's the matter, man? What's the matter with

you?

Don't stray, o now you're gonna pay
Now you're gonna pay
Now you're gonna pay and pay and pay

What's the matter, man? Is the time not right?
What's the matter, man? Are you wrapped too tight?
What's the matter, man? Is the feeling gone?
What's the matter?
What's the matter, man? What's the matter with
you?
What's the matter, man? What's the matter with
you?
