Every time I think of you
I get a shot right through into a bolt of blue
It's no problem of mine but it's a problem I find
Living a life that I can't leave behind

There's no sense in telling me
The wisdom of a fool won't set you free
But that's the way that it goes and it's what nobody
knows
And every day my confusion grows

Every time I see you falling
I get down on my knees and pray
I'm waiting for that final moment
You say the words that I can't say

I feel fine and I feel good
I feel like I never should
Whenever I get this way I just don't know what to say

Why can't we be ourselves like we were yesterday

I'm not sure what this could mean
I don't think you're what you seem
I do admit to myself that if I hurt someone else
It's impossible because I love you baby!

Every time I see you falling
I get down on my knees and pray
I'm waiting for that final moment
You say the words that I can't say

Every time I see you falling
I'll get down on my knees and pray
I'm waiting for that final moment
You say the words that I can't say
