If he brings you happiness, then I wish you all the best.
It's your happiness that matters most of all.
But if he ever breaks your heart, if a teardrop ever
starts.
I'll be there, before the next teardrop falls.

Si te quiere de verdad, y te da felicidad.
Les deseo lo mas bueno para los dos.
Pero si el te hace llorar, a mi me puedes hablar.
Y estare, contigo cuando triste estes.

I'll be there anytime you need me by your side.
To dry away any teardrop that you cry.
But if he ever makes you blue.
Just remember I love you.

I'll be there before the next teardrop falls.

I'll be there anytime you need me by your side.
To dry away any teardrop that you cry.
But if he ever makes you blue.
Just remember I love you.

I'll be there before the next teardrop falls.
And I'll be there before the next teardrop falls.
