Can you feel those tidal waves  
Slashing knives of endless change  
Screwing up your patterned lives  
Raining down wretched strife

Hashish dreams - Junkie screams  
Crocodile tears - Escape your fears

Apathetic nine to five  
Cashing paychecks to survive  
Vandals lurking in the streets  
Gloat behind their worthless feats

Hashish dreams - Junkie screams  
Crocodile tears - Escape your fears  
Crying-dying Future Shock

Teenyboppers idolize  
Cash and carry packaged highs  
Figurines stalk your space  
Home is nothing but a place

Fearing ours will be there fate  
Those across the water wait  
Creeping tides mount their shore  
Ominous rumble groans to roar

Hashish dreams - Junkie screams  
Crocodile tears - Escape your fears  
Crying-dying Future Shock
