Everyday I'm up, or I'm down  
This complicated world  
Keeps going round  
I'm here right now  
Should be somewhere else  
This big old crazy world  
Keeps spinning round

Don't tell me what to do  
Or who I should be  
It's time to get back where I belong  
Here I go, Here I go again

Time to climb that mountain to the top  
This roller coaster ride has got to stop  
Was lost for a while, now I am found  
This roller coaster ride is slowing down

Don't tell me where to go  
You don't even know my name  
It's time to get back where I belong  
Here I go, Here I go again

Everyday I'm up or I'm down  
This complicated world  
Still going round  
I'm here right now
