If you're gonna leave  
Don't forget the times we've spent  
If you're gonna leave  
Tell me where the passion went

You may be elsewhere  
But you'll still be here with me  
I know it isn't easy but

Let's try once more  
(Let's try once more)  
I'll make it up  
Just like the time before

We'll start again  
(We'll start again)  
And things will be  
The way they were  
Back then you'll be

[CHORUS]  
Holding my heart in your hands  
(Holding my heart in your hands)  
Holding my heart in your hands  
(Holding my heart in your hands)  
Holding my heart in your hands  
(Holding my heart in your hands)  
I'm lost in my feelings when you're  
Holding my heart in your hands  
(Holding my heart)  
Holding my heart in your hands

My heart, my heart

If you're gonna leave  
Tell me this is not the end  
How can you believe  
That I'll ever love again

You may be elsewhere  
But you'll still be here with me  
I know it isn't easy but

Let's try once more  
(Let's try once more)  
I'll make it up just  
Like the time before

We'll start again  
(We'll start again)  
And things will be  
The way they were  
Back then you'll be

[Repeat CHORUS]

Come on

(Holding my heart in your hands)  
(Holding my heart in)  
(Holding my heart in your hands)

(Holding my heart in your hands)  
(Holding my heart)

[Repeat CHORUS 2x]
