- Lidia:

Nothing's gonna change your bright light, is the
meaning of my life
Come on, let my love open the door,
We are gonna believe again

- Javi:

Y en mi mundo s³lo hay sitio para nuestro amor

- Javi y Lidia:

Tus ojos son eternos cuando duerme el sol

- Lidia:

What do you want to do before you leave the world
behind
I want to leave with the sunlight
Listen (to) the world outside

- Javi y Lidia

(Estrillo)
Feeling the time without measure
Too many needs of salvation
Tell to your heart other reason
How do you get in touch?
Give me a place in your daydreams
Send me a kiss with your sweet heart
I just believe that the feelings
Are in the Promised Land

- Lidia:

Leiloleiloleilolero, ay ay ay
Leiloleiloleilolero

- Javi:

The promised land...

Compartimos el silencio,
Lunas llenas de placer,
El calor de nuestros cuerpos
Y en tus sueños me perdí

- Lidia:

If we listen to the river
With our hearts tonight

- Lidia y Javi:

And we share all the reasons to enjoy our lives

- Lidia:

What do you want to do before you leave the world
behind
I want to leave with the sunlight
Listen (to) the world outside

- Javi y Lidia

(Estrillo)
Feeling the time without measure
Too many needs of salvation
Tell to your heart other reason
How do you get in touch?
Give me a place in your daydreams
Send me a kiss with your sweet heart
I just believe that the feelings
Are in the Promised Land

- Lidia:

Leiloleilolero, ay ay ay
Leiloleilolero...

- Javi:

The promised land...

- Javi y Lidia:
