Oh, I spread my wings  
Maybe, we could fly  
Every time we walk into the light  
There's no world outside.

Oh, I'll cry for you  
So come close to me  
When you hold my hand you hold my heart,  
I'll send you, send you a sign.

ESTRIBILLO:

Oh, I wanna be feeling your love  
I want to be the one and know you'll stay by my side  
Oh, I wanna be feeling so close  
But I'm going to leave this town and this time I'll lose  
your fire.

There are so many dreams reflected in your face  
Through the tears I'll see your eyes  
I can't restrain how I feel  
Ehh, I need your love  
But I have to go  
When you hold my hand you hold my heart  
I'll send you, send you a sign.

ESTRIBILLO:

Oh, I wanna be feeling your love  
I want to be the one and know you'll stay by my side  
Oh, I wanna be feeling so close  
But I'm going to leave this town and this time I'll lose  
your fire.

There are so many dreams reflected in your face  
Through the tears I'll see your eyes  
I can't restrain how I feel  
Ehh, I need your love  
But I have to go  
When you hold my hand you hold my heart  
I'll send you, send you a sign.

ESTRIBILLO:

Oh, I wanna be feeling your love

I want to be the one and know you'll stay by my side  
Oh, I wanna be feeling so close  
But I'm going to leave this town and this time I'll lose  
your fire.
