"Shake To The Beat"

- Javi Mota:

Shake to the beat
Shake the one
To my heart
Shake to the world
Out on me
In my soul
See all the night
Time to fall
Down the earth
Free, sense the right
Time to fall
Find your soul

React to the way
Send the fear
Send your god
It's too sad to see
How the world
End the hopes
Bring the fight
It's too sad to see
How yourself
Take my thoughts
In your soul
It's too sad to see
That your mind
Has no time
To resolve

- Lidia Guevara:

You are the reason
Why you feel so broken

- Javi Mota:

Tell me how you feel broken
Tell your desires are open

- Lidia Guevara:

You know how easy
Time resigns the meanings

- Javi Mota:

Find the way
You could free your soul
See me, come to my heart
With my love I can help you

- Lidia Guevara:

You are the reason
Why you feel so broken

- Javi Mota:

Shake to my, to my,
So shake to my, to my
To my open heart.

- Lidia Guevara:

You know how easy
Time resigns the meanings

- Javi Mota:

Let me run with my empty mind
So let me run with my soul, my soul.

- Lidia Guevara:

Sarakum maramakum tonight
Sarakum maramakum feel right
Sarakum maramakum tonigh
Sarakum marama yeah

- Javi Mota:

Right
I wanna feel right
I wanna feel right
I wanna say yeah, yeah
