Valerie is beautiful

But she seems a little bit confused

The life you offer her she says

She cannot use

You live in another world

She thinks she won't fit in

And oh, what about her plans for him

She bends to his will

Hey, you better listen

'Cause I'm warning you

Love is never simple

With a complicated girl

You call her on the phone

She's got the other guy on hold

You see the scene unfold

You know it very well

Stay inside your room all day

When she doesn't call you pull the shades

Never seen you act this way

The girl has hit you hard

Why bother making rules you know

She will not follow

Someday she'll find a way to remedy

This lovely mess she's made of you
