You were standing like a statue in the light  
And it looked just like perfection in my eyes  
When you spoke I staggered from the flow  
Once I touched I never could let go, oh, oh, oh  
Is this what I waited for?

Oh, oh, oh  
Everything I wanted  
Oh, oh, oh  
Everything I wanted  
For a while

So we whispered every secret we could tell  
And we painted lovely pictures on ourselves  
Though we hid the parts we did not want to know  
As the strength of our illusions took control, oh, oh, oh

This is what I waited for

Oh, oh, oh  
Everything I wanted  
Oh, oh, oh  
Everything I wanted  
Oh, oh, oh  
Everything I wanted

I never know if my heart tells lies  
Caught in a feeling I just can't fight  
Thirst like a warning too, then come back around  
Turn the clock back around

Oh, oh  
This is what I waited for

Oh, oh, oh  
Everything I wanted  
Oh, oh, oh  
Everything I wanted  
Oh, oh, oh  
Everything I wanted
