(M. Steele/D. White)
Don't cry, walk on by
Will I have to see anyone cry
When I see you today?
When you speak to me
You're so cold and far away
Oh, I'd give anything
Just to see you smile.

Cause there's a light I saw you shine
A special time
Hiding a different kind, oooooohhhh
There is nothing I can say
To make you a Happy Man...
Happy Man today.

I'm a luckless child,
But it hurts too much to care
And I'm finally estranged.
So turn away, Walk on by
Still I'd give anything
Just to see you smile.

Cause there's a light I saw you shine
A special time
Hiding a different kind, oooooohhhh
There is nothing I can say
To make you a Happy Man...
Happy Man today.
(guitar solo)

Cause there's a light, etc.
