Susanna

The hero is exposed when
His crimes are brought to the light of day
Wont be feeling sorry, sorry, sorry
On the judgement day

Wasn't it me who said
There'll be a price to pay

And I wont feel bad at all
When the hero takes a fall
When the hero takes a fall
(hero takes a fall) oh no

Your mother told you stories
You substitute with girls who tell you more
Suddenly you sight a fancy chance
Since love is at your door

Were seeing through you now
I saw it all before

And I wont feel bad at all
When the hero takes a fall
When the hero takes a fall
(hero takes a fall) oh no

Oh oh, oh oh, oh oh
Oh oh, oh oh, oh oh
Oh oh, oh oh, oh oh

Emotion is a virtue
For you it is the one fatal flaw
Sitting on your throne and drinking
Thinking shell return your call

Every story's got an ending
Look out, here it comes, here it comes

And I wont feel bad at all

When the hero takes a fall
When the hero takes a fall
(hero takes a fall) oh no

Oh oh, oh oh, oh oh
Oh oh, oh oh, oh oh
Oh oh, oh oh, oh oh
