I love myself  
I want you to love me  
When I feel down  
I want you above me  
I search myself  
I want you to find me  
I forget myself  
I want you to remind me

I don't want  
Anybody else  
When I think about you  
I touch myself  
Ohhhh, I don't want  
Anybody else

Oh no, oh no, oh no

You're the one  
Who makes me ? ?  
You're the sun  
Who makes me shine  
When you're around  
I'm always laughing  
I wanna make you mine

I close my eyes  
And see you before me  
Think I would die  
If you were to ignore me  
If you could see  
Just how much I adore you  
I'd get down on my knees  
I'd do anything for you

I don't want  
Anybody else  
When I think about you  
I touch myself  
Ohhhh, I don't want  
Anybody else  
Oh no, oh no, oh no, yeah
