Everything in a moment starting where  
Something you said is hanging in the air  
Now I know my life is sweetening  
Changing everything  
Something that you said  
Turned me from the inside out  
Running through my head  
Something I have dreamed about  
And I feel so real  
And it feels so right...  
Showing you every weakness  
And feeling strong for it  
I used to run from real love  
Now I long for it  
Now I know what I've been missing  
Since I've been listening  
Something that you said  
Turned me from the inside out  
Lying in my bed  
Whispering your name out loud  
And I feel so real  
And it feels so right  
Something that you said  
Got through to me tonight  
Never so far you can't call me back  
I'm never more than a single kiss away

And I feel so real  
And it feels so right  
Something that you said  
Turned me from the inside out  
Running through my head  
Something I had dreamed about  
And I feel so real  
And it feels so right  
Something that you said  
Turned me from the inside out  
Lying in my bed  
Whispering your name out loud  
And I feel so real  
And it feels so right

Something that you said  
Turned me from the inside out  
Running through my head  
Something I had dreamed about  
And it feels so real  
And it feels so right  
Something that you said
