Ooh, oh I've had sleepless nights  
Toss and turn, wake up burning  
For what you inspire.

So, I'm gonna walk right down your street  
With a love that I can't hide  
I've got one thing on my mind  
Yeah, I'll even sacrifice my pride, 'cause I want you.

Ooh, oh how I wish you would be mine  
My pulse is weak, I'm blushing brighter  
Then a valentine.

'Cause I've been walking down your street  
With a love that I can't hide  
I've got one thing on my mind  
Yeah, I'll even sacrifice my pride.

'Cause I can't stop the way I feel  
So, I'll keep walking on, 'cause I want you.

(Walking...down...down...down your street  
Walking...down your street)  
Walking...down your street (walking)  
Down your street (walking...down...down...down)  
Oh no (walking) oh-woe-oh.

I can't stop the way I feel  
So, I'll keep walking on.

Walking down your street  
With a love that I can't hide  
Oh, I've got one thing on my mind  
Yeah, I'll even sacrifice my pride ('cause I want you).

Walking down your street  
With a love that I can't hide  
Yeah, I've got one thing on my mind  
Yeah, I'll even sacrifice my pride ('cause I want you).

Walking down your street  
With a love that I can't hide

Oh, I've got one thing on my mind  
Yeah, I'll even sacrifice my pride ('cause I want you).
