"Ever Fallen In Love"

Visit "[Ever Fallen In Love](#)" on motolyrics.com

You spurn my natural emotions
You make me feel like dirt - and that hurts
And if I start a commotion
I run the risk of losing you - and that's worse

Ever fallen in love with someone
Ever fallen in love with someone
Ever fallen in love with someone

You shouldn't have fallen in love with

I can't see much of a future
Unless we find out what's to blame - what a shame
And we won't be together much longer
Unless we realize that we are the same
