### "Moonlight Kiss"

I can feel my heart  
and it's fit to burst  
try to clean it up  
but i just get worse

wish i could fall  
on a night like this  
into your lovin' arms  
for a moonlight kiss

i thought i saw your face  
in the evenin' sky  
on a lonesome cloud  
that was driftin' by

wish i could fall  
on a night like this  
into your lovin' arms  
for a moonlight kiss

(instrumental break)

you got someone else  
maybe it's for the best  
since i took the cure  
for happiness

and i'd trade it all  
on a night like this  
for your lovin' arms  
and a moonlight kiss

for your lovin' arms  
and a moonlight kiss

lovin' arms and a moonlight kiss
