Ceremony of darkness  
Black magik sorcerer  
Performs his ritual  
To open the gate  
His spells and rites  
His jetblack mind  
Power of darkness  
In his hands

Beyond the gate - of unknown darkness  
Beyond the gate - of eternal fire  
Beyond the gate - of fornication  
Beyond the gate - of pain of flesh  
Beyond the gate - of unknown darkness  
Beyond the gate - of eternal fire

Gate - painted by blood  
Gate - sealed by human flesh  
Gate - painted by blood  
Gate - sealed by human flesh

Beyond the gate - of unknown darkness  
Beyond the gate...  
Beyond the gate - of no return
