The sun was hot, the wine so cool  
Normally, I'm not a fool  
But I fell in love on Rhodos  
That this could happen to me  
I heard him play, on the beach  
I was lost in a one, two, three

Never listen to a bouzouki player  
If you won't fall in love  
Never listen to a bouzouki player  
A B C  
So simple like that girl  
One , two, three  
It drives you mad girl  
Sirtaki, that's what he played  
And why I stayed, yeah  
Never listen to a bouzouki player  
Oh no no  
Never listen to a bouzouki player  
Oh no no

I'm so happy, you can bet  
Not a day, I did regret  
That I fell in love on Rhodos  
And that is plain to see  
And when he's playing, I think, it's nice  
To be a musical fool like me

Never listen to a bouzouki player  
If you won't fall in love  
Never listen to a bouzouki player  
A B C  
So simple like that girl  
One , two, three  
It drives you mad girl  
Sirtaki, that's what he played  
And why I stayed, yeah  
Never listen to a bouzouki player  
Oh no no  
Never listen to a bouzouki player  
Oh no no
