I'm A Rocking Machine by Babe  
I'm a rock, I'm a rock, I'm a rocking machine

I'm a rock machine, I'm a rock machine  
Push on the button, push on the button  
I'm a rock machine, I'm a rock machine  
Push on the button and you'll see what I mean

I'm a rock, I'm a rock, I'm a rocking machine  
(I push on the button, I push on the button)  
I'm a rock, I'm a rock, I'm a rocking machine  
(I push on the button and we see what you mean)  
Push on the button and you'll see what I mean

(Circuit one) Dim the lights, dim the lights  
(Circuit two) Hold me tight, hold me tight  
(Circuit three) It's alright, it's alright  
Check it out, check it out, check it out

(Circuit four) Music on, music on  
(Circuit five) Turn me on, turn me on  
(Circuit six) You can go on, can go on  
Check it out, check it out, check it out

I'm a rock machine, I'm a rock machine  
Push on the button, push on the button  
I'm a rock machine, I'm a rock machine  
Push on the button and you'll see what I mean

I'm a rock, I'm a rock, I'm a rocking machine  
(I push on the button, I push on the button)  
I'm a rock, I'm a rock, I'm a rocking machine  
(I push on the button and we see what you mean)  
Push on the button and you'll see what I mean

I was looking for a job in the city  
I saw the manager of a hotel  
He asked: "Can you help in the kitchen, girl?"  
I said: "No, it doesn't ring my bell"

I'm a rock, I'm a rock, I'm a rocking machine

(I push on the button, I push on the button)  
I'm a rock machine, I'm a rock machine  
Push on the button and you'll see what I mean

Yesterday a policeman stopped me  
I didn't see that the lights were red  
When he asked me: "What's your profession, girl?"  
He went out of his mind when I said (What did you say?)

I'm a rock machine, I'm a rock machine  
Push on the button, push on the button  
I'm a rock machine, I'm a rock machine  
Push on the button and you'll see what I mean

I'm a rock, I'm a rock, I'm a rocking machine  
(I push on the button, I push on the button)  
I'm a rock, I'm a rock, I'm a rocking machine  
(I push on the button and we see what you mean)

Push on the button and you'll see what I mean

Now I know what you want

I'm a rocking machine!
