it's only a matter of time by Babe  
Yes I can feel, I'm loosing you  
(It's only a matter of time)  
Oh I understand you're point of view  
(It's only a matter of time)  
You never committed yourself too long  
(It's only a matter of time)  
I have to face it, but I'm not that strong  
Tears are only a matter of time  
"Hold me", that's what you have to say baby  
"Hold me, and I'll never, never leave you, baby"

Like the swans in the autumn, you'll fly  
(It's only a matter of time)  
You're going south, when the season goes by  
(It's only a matter of time)  
He is my world, he's so sincere  
(You have to believe in him)  
I am always happy when he is near  
I have to believe in him
