oh la la (i'm falling) by Babe
Just four wodkas orange juice
Let me complete surrender
But trying to stop you ain't no use
I feel like playing russian roulette
'cause your kisses make me weak

Oh la la I am falling
Falling in love with you
Oh la la I am falling
Right in the arms of you

No no wodka don't blame you
This girl should know what to do

(oh la la) mammie and daddie
(oh la la) did they do the same
(oh la la) this girl is falling
(oh la la) but the wodka is not to blame

Believe me I am much to wise
To drink and dance with strangers
But russian wodka and english eyes
Make me forget what is lady like
'cause your kisses make me weak

Oh la la I am falling
Falling in love with you
Oh la la I am falling
Right in the arms of you

Yes I love you
What I feel is something new
Yes I love you

Oh la la I am falling
Falling in love with you
Oh la la I am falling
Right in the arms of you
