Iâ€™m running away  
Away from illusions  
I still donâ€™t know why  
Cause I feel devotion  
Guess our love is over  
Looking back I smile and cry  
Remembering that night

### CHORUS

You wanna ring to the disco king  
Tell him again and again  
Heâ€™s dancing like a baby in stars  
Nothing can keep us apart

You wanna ring to the disco king  
Tell him again and again  
Heâ€™s dancing like a baby in stars  
Nothing can keep us apart

I turned to your heart  
Came closer and closer  
We touch-downed our eyes  
Made love on the dance floor  
Feel my bodys trembling  
To the words I said that night  
Oh God, it was so right

### CHORUS

You wanna ring to the disco king  
Tell him again and again  
Heâ€™s dancing like a baby in stars  
Nothing can keep us apart

You wanna ring to the disco king  
Tell him again and again  
Heâ€™s dancing like a baby in stars  
Nothing can keep us apart

You wanna ring to the disco king

Heâ€™s dancing like a baby in stars  
Nothing can keep us apart

CHORUS

You wanna ring to the disco king  
To the disco king  
He's dancing like a baby in stars  
Nothing can keep us apart

You wanna ring to the disco king  
To the disco king  
He's dancing like a baby in stars  
Nothing can keep us apart

You wanna ring to the disco king
