There, was a time, when I wanted you to be mine.
I did everything I could so you would notice me,
I did everything I could so you would see me, baby,
no matter what I did I just couldn't make you see me.

There was a time when I wanted you,
there was a time when I wanted you to hold me tighter
then you've
ever hold somebody,
in my life I needed you, baby,
and it's over now for sure, baby, baby

And there, was a time, when I needed you to be mine.
I did everything I could to come close to you,
and I did everything I could so you would notice me,
baby,
no matter what I did I still couldn't make you see me

There was a time when I wanted you,
there was a time when I wanted you to hold me tighter
then you've
ever hold somebody,
in my life I needed you, baby,
and it's over now for sure, baby, baby

I don't know what to do I'm so crazy but you,
and I hoped you'd feel the same way to.
Baby you know I want you

There was a time when I wanted you,
there was a time when I wanted you to hold me tighter
(oooh baby) then you've
ever hold somebody,
in my life I needed you, baby,
and it's over now for sure, baby, baby

There was a time when I wanted you,
there was a time when I wanted you to hold me tighter
then you've
ever hold somebody,
in my life I needed you, baby,
and it's over now for sure, baby, baby *2
