There it goes again  
It's my heart speaking to me  
There it goes again  
It's my heart torturing me

Should I follow my heart  
Will it be torn apart

There he goes again  
(There he goes again)  
Is his touch conquering me  
There he goes again  
(There he goes again)  
Is his kiss so pleasing to me

Should I follow my heart  
Will it be torn apart

There it goes again  
(There it goes again)  
It's my heart speaking to me  
There it goes again  
(There it goes again)  
It's my heart torturing me

Should I follow my heart  
Will it be torn apart

There it goes again  
Should I listen or just ignore  
There it goes again  
Should I throw away  
The key to my door

Should I follow my heart  
Will it be torn apart

There it goes again  
(There it goes again)  
Think I'm in love again  
(There goes my heart again)

There it goes again  
(There it goes again)  
Think I'm in love again  
(There goes my heart again)

There it goes again  
(There it goes again)  
There goes my heart again  
(I'm in love again)

There it goes again  
(There it goes again)  
Think I'm in love again  
(There goes my heart again)
