I like u before i knew your face
this love will be worth away
I say yeah.. Oh yeah..

We love God, His our number one
We gave each other back but He said go on
I say yeah.. Oh yeah..

And I know that you love me
'Coz I love you to death
And its so overwhelming but we ain't seen nothing yet
And I know that you love me
'Coz I love you way before
As we think about for everyday, I love you some more...

Mistakes could make us strong
Those purpose onward ever could go wrong
I say yeah.. Oh yeah..

Did you find any women who could understand
I want to love you with the best I am
I say yeah.. Oh yeah..

And I know that you love me
'Coz I love you to death
And its so overwhelming but we ain't seen nothing yet
And I know that you love me
'Coz I love you way before
As we think about for everyday, I love you some more...

Can't wait 'till someday
I'll be yours, if you'll be mine
Can't wait 'till someday
To see you.. proud..

And I know that you love me
'Coz I love you to death
And its so overwhelming but we ain't seen nothing yet
And I know that you love me
'Coz I love you way before
As we talk about for everyday, I love you some more...
