There it goes again
It's my heart speaking to me
There it goes again
It's my heart torturing me

Should I follow my heart
Will it be torn apart

There he goes again
(There he goes again)
Is his touch conquering me
There he goes again
(There he goes again)
Is his kiss so pleasing to me

Should I follow my heart
Will it be torn apart

There it goes again
(There it goes again)
It's my heart speaking to me
There it goes again
(There it goes again)
It's my heart torturing me

Should I follow my heart
Will it be torn apart

There it goes again
Should I listen or just ignore
There it goes again
Should I throw away
The key to my door

Should I follow my heart
Will it be torn apart

There it goes again
(There it goes again)
Think I'm in love again
(There goes my heart again)

There it goes again
(There it goes again)
Think I'm in love again
(There goes my heart again)

There it goes again
(There it goes again)
There goes my heart again
(I'm in love again)

There it goes again
(There it goes again)
Think I'm in love again
(There goes my heart again)
