Why don't you stop (stop)  
And look me over  
(Look me over)  
Am I the same girl  
You used to know

Why don't you stop (stop)  
And think it over  
(Think it over)  
Am I the same girl  
Who knew her soul

I'm the one you want  
And I'm the one you need  
I'm the one you love  
The one you used to meet

Around the corner every day  
We would meet and slip away  
But we were much too young  
To love each other this way

Am I the same girl  
Yes, I am, yes, I am  
Am I the same girl  
Yes, I am, yes, I am

Why don't you stop (stop)  
And look me over  
(Look me over)  
Am I the same girl  
You used to know

Why don't you stop (stop)  
And think it over  
(Think it over)  
Am I the same girl  
Who knew her soul

I'm the one you hurt  
And I'm the one you need  
I'm the one who cried

I'm the one you used to meet

But you are pretending  
You don't care  
And the fire is still there  
But we were no longer too young  
To love each other this way

Am I the same girl  
Yes, I am, yes, I am  
Am I the same girl  
Yes, I am, yes, I am

Am I the same girl  
Yes, I am, yes, I am  
Am I the same girl  
Yes, I am, yes, I am
