In the fire, it was burning  
Sweetheart, I know  
I shoulda be learning

But my pockets  
Were full of money  
Yes, they were  
I had someone, yes, I did  
To call my honey

But it's love (sweet love)  
That makes a woman  
(That makes a woman)  
Yes, it's love (sweet love)  
That makes a woman  
(That makes a woman)

Something told me  
That this wouldn't last  
Now my heartache  
Is in the past

I had to swallow  
All my pride  
And admit to myself  
Deep down inside

The diamonds and pearls  
Don't you know  
That I've had enough  
But I feel so much  
Better, yes, I do  
Dressed in love

Yes, it's love (sweet love)  
That makes a woman  
(That makes a woman)  
Yes, it's love (sweet love)  
That makes a woman  
(That makes a woman)

What she is, yeah

What she is

Ooh, and it's love (sweet love)  
That makes a woman, yes, it is  
(That makes a woman)  
Yes, it's love (sweet love)  
That makes a woman  
(That makes a woman)

What she is, yeah  
What she is

And it's love (sweet love)  
That makes a woman, yeah  
(That makes a woman)
