This day and age we're living in
Gives cause for apprehension
With speed and new invention
And things like third dimension

Though we get a trifle weary
Of Mister Einstein's theory
Oh, we must get down to Earth at times
Relax, relieve the tension

No matter what the progress
Or what may yet be proved
The simple facts of life are such
They cannot be removed

You must remember this
A kiss is still a kiss
A sigh is just a sigh
The fundamental things apply
As time goes by

And when two lovers woo
They still say 'I love you, '
On that you can rely
No matter what the future brings
As time goes by

Moonlight and love songs
Never out of date
Hearts full of passion
Jealousy and hate
Woman needs man, and man must have his mate
That no one can deny

It's still the same old story
A fight for love and glory
A case of do or die
The world will always welcome lovers
As time goes by

Moonlight and love songs

Never out of date
Hearts full of passion
Woman needs man and man must have his mate
That no one can deny

It's still the same old story
A fight for love and glory
A case of do or die
The world will always welcome lovers
As time goes by
